

REPORT OF WORLD ENVIRONMENT DAY CELEBRATION

World Environment Day

Let us give our coming generations a healthier and happier environment to have a beautiful life Best wishes on World Environment Day.

ZOOLOGICAL SOCIETY OF
ASSAM
(ZSA)

*A brief report on the activities of different branches of Zoological Society
of Assam on World Environment Day*

1. NAME OF ZSA BRANCH: ZSA CENTRAL OFFICE, DEPARTMENT OF ZOOLOGY, GAUHATI UNIVERSITY.

EVENT ORGANISED: International Webinar on the occasion of World Environment Day, 2021.

DATE/TIME/VENUE: 05.06.2021/07:00 PM (IST)/Google meet

BRIEF DESCRIPTION OF THE EVENT: The Research Scholar's Forum of the Department of Zoology, Gauhati University, under the able leadership of Zoological society of Assam, organized an international webinar on the 5th of June on the occasion of World Environment Day. The webinar was themed on Eco Restoration as this year marks the beginning of the United Nations Decade on Ecosystem Restoration. The event was organised on the Google meet platform from 7 pm IST. Prof. Jogen Ch. Kalita, Head of the Department of Zoology, Gauhati University, was the inaugurator of the Webinar. The webinar was graced by the presence of a renowned personality, Prof. AchintyaBezbaruah of North Dakota University, USA, who delivered a really informative and beautiful Keynote address on "Sustainable Nanoagriculture for the restoration of Soil and Water Health". Another eminent figure, Miss Sudha Balajapalli, a Research Scholar from George Mason University, Virginia, USA, who is currently conducting her research at Gauhati University, presented a themed speech on Yellowstone National Park: A case Study in Environmental Restoration and also discussed the measures required for ecorestoration. The event was also graced by President of ZSA, Sri Priyabrata Lahkar, and distinguished professors of Zoology Department, Gauhati University. Many distinguished professors, research scholars and students from all over the country including Veterinary College, Assam Agricultural University, Jaipur University, etc took part in this webinar and made it a grand success.

CONVENOR/ORGANISING MEMBERS: Research Scholars Forum, Department of Zoology, G.U.

3. NAME OF ZSA BRANCH: **ZOOLOGICAL SOCIETY OF ASSAM, NOWGONG GIRLS' COLLEGE UNIT**

EVENT ORGANISED: 'PLANTATION SELFIE COMPETITION'

DATE/TIME/VENUE: 5TH JUNE, 2021. Nagaon.

BRIEF DESCRIPTION OF THE EVENT:

On World Environment Day, 2021, the Zoological Society of Assam, Nowgong Girls' College Unit & Department of Zoology, Nowgong Girls' College collaborated with IQAC, Nowgong Girls' College and organised a 'Plantation Selfie Competition' on 5th June 2021.

The participants were guided to plant a sapling in their respective localities and take a selfie with their planted saplings. The competition was students centric and was open for students of the state. Rules were set such as to plant only native/local species of plants, which was intended to signify the value of native species. Participants were also asked to upload their selfies in social media with the following #tags: #selfiewithsapling_ngczoo #ecosystem_restoration

All together 28 students from various schools and colleges of the state participated in the event, of which *Liza Sonowal* (class 11) of Bolai Janajati High School, Dibrugarh, secured the 1st position, *Ghoranjyoti Cheleng* (class 10) of Bolai Janajati High School, Dibrugarh, got the 2nd position and, *Martina Dutta* (class 12) of Kalpataru Academy, Numaligarh got the 3rd position.

The winners were rewarded cash awards of Rs.1500, Rs.1000 & Rs.500, along with certificates.

4. NAME OF ZSA BRANCH: **ZOOLOGICAL SOCIETY OF ASSAM DEPARTMENT OF ZOOLOGY, COTTON UNIVERSITY UNIT**

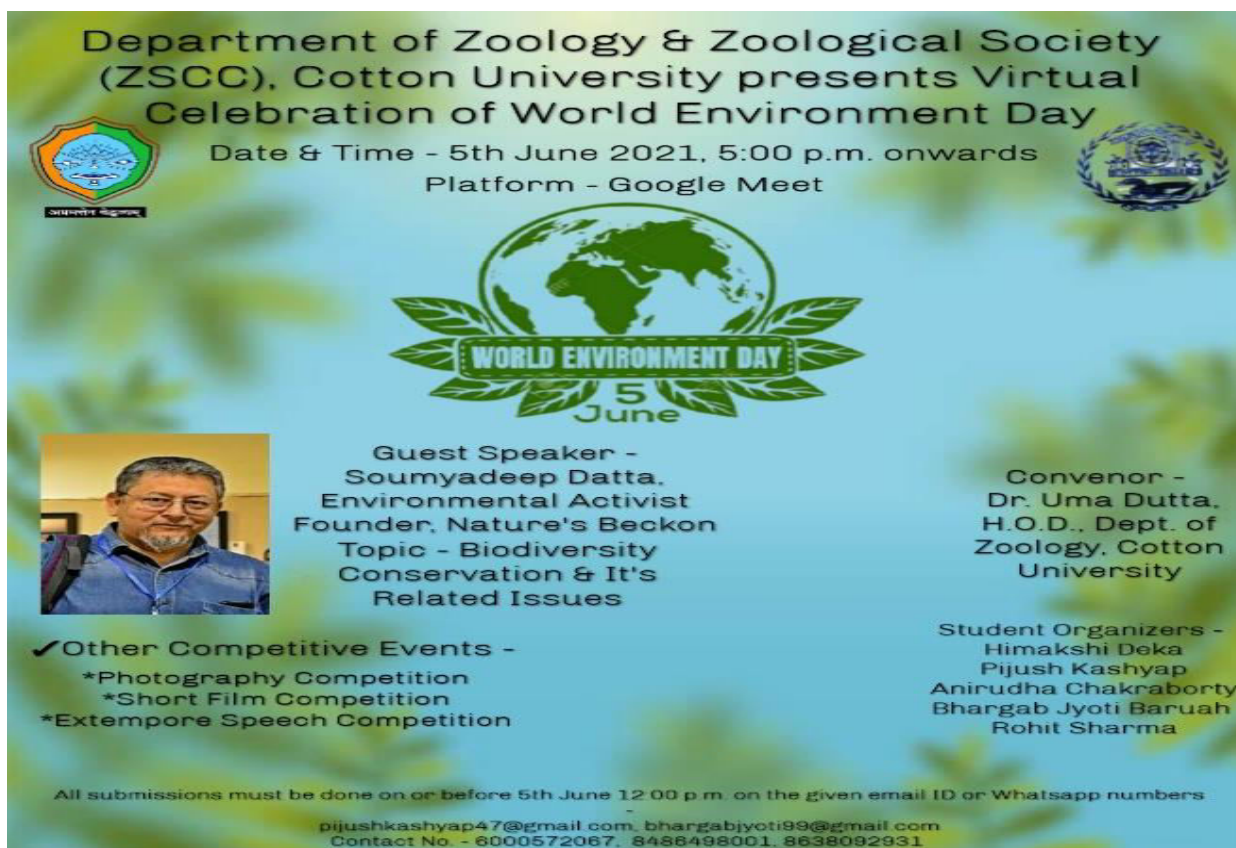

EVENT ORGANISED: Virtual Celebration of World Environment Day

DATE/TIME/VENUE: **05-06-2021**, 5 pm onwards, Google Meet

BRIEF DESCRIPTION OF THE EVENT: On the occasion of World Environment Day, the Department of Zoology, Cotton University organised a virtual talk by guest speaker Soumyadeep Datta, an environmental activist and the founder of Nature's Beckon. The talk was inaugurated by Professor Dr. Uma Dutta, Head of Department of Zoology by a welcome address. It was followed by a short speech by chief guest Professor Bhabesh Chandra Goswami, Vice-Chancellor, Cotton University which was immediately followed by an extempore speech competition and photography competition based on environmental aspects. This was succeeded by a rather inspiring and thought-provoking talk by Soumyadeep Datta who talked about biodiversity conservation and its related issues. After Mr. Datta's talk, the results of the extempore speech and photography competitions were announced, followed by a short videography competition. The event was concluded with the results of the videography competition and vote of thanks.

CONVENOR: Professor Dr. Uma Dutta, Head of Department of Zoology, Cotton University.

2. PHOTOGRAPHS OF THE EVENT

5. NAME OF ZSA BRANCH: **ZOOLOGICAL SOCIETY OF ASSAM NORTH LAKHIMPUR COLLEGE (AUTONOMOUS) UNIT** Khelmati, Assam

EVENT ORGANISED: **Plantation Drive, Popular Talk** organised in association with Aaranyak and Zoological Society of Assam

DATE/TIME/VENUE: 5th June, 2021

BRIEF DESCRIPTION OF THE EVENT: -

World Environment Day was established by the UN General Assembly in 1972 on the first day of the Stockholm Conference on the Human Environment, resulting from discussions on the integration of human interactions and the environment. In 1974 the first World Environment Day was held with the theme "Only One Earth". World Environment Day is celebrated every year on June 5, to remind humans that they are not alone on this planet. The day is celebrated to raise global awareness about the significance of a healthy environment issues by implementing some actions to protect nature and earth, leading to a positive and healthy environment for all.

With this aim in view, the students and teachers of Department of Zoology, North Lakhimpur College (Autonomous) in association with Aaranyak and Zoological Society of Assam proposed to celebrate WORLD ENVIRONMENT DAY, 5TH JUNE 2021 to create awareness among the students that will help in disseminating the knowledge to the community.

Due to the present situation caused by the pandemic, only two programmes were taken to be executed.

I. Plantation Drive

At 9 am in the morning, the Principal, Vice-principal, teachers and students of Department of Zoology along with the Forestry Officials (Social Forestry) of North Lakhimpur Division carried out a plantation programme. The site for the plantation was selected which is towards the western side of the College Campus where a new embankment was constructed by the PWD (Roads) a few months back. Almost a total of more than 50 species of endemic plants (Neem, Sia-Nahor etc.,) were planted during the Programme.

II. Popular Talk: -

To make the event more fruitful, a popular talk was organised at 3 pm. The resource person of the talk was Dr. Bibhab Kumar Talukdar founders and currently the Chief Executive Officer of Aaranyak. The topic of discussion was "Ecosystem Restoration: Challenges and opportunities". In his presentation the resource person very clearly in simple terms explained issues like environment degradation leading to imbalance in nature, the different steps that are to be taken for the restoration of the ecosystem, and the challenges that are being faced while trying to restore the ecosystem etc.,. He shared his experience about elephant restoration work that was carried out by his team in Java and Sumatra, grassland restoration work carried out in Manas Nation Park etc.,. Prof. Pryabrata Lahkar, the President of ZSA and Prof. J. C. Kalita, Secretary of ZSA also spoke on the occasion.

2. Webinar – “Significance of World Environment Day”

Resource Person – Dr. B.C Hazarika, Retired Principal, Kharupetia College, at 11 am

3. Competition activities : 12pm-5pm

Medium – Offline, Submitted in email

- Painting competition
- Slogan writing competition
- Green Literature

4. Cultural program – 6pm to 9pm

Platform : Google meet

5. National webinar – “Regulation and Restoration of Ground Water for Environmental Concern”

Resource person – Sangita P. Bhattacharjee

Date – 06/06/2021

DATE/TIME/VENUE:

Date: 05/06/2021 (7am-9pm)

06/06/2021 (7pm-9pm)

Platform: Google Meet

BRIEF DESCRIPTION OF THE EVENT:

Day 1 : On that day a Webinar organised by Zoology Dept, Mangaldai College. The Resource Person of that Webinar was Dr. Budhin Chandra Hazarika, Retired Principal of Kharupetia College. The topic was “Significance of World Environment Day”

Day 2 : On the occasion of World Environmental Day, 2021, a National Webinar was held by the dept of Zoology, Mangaldai College in collaboration with ZSA & in association with NCSC Darrang & Assam Science Society, Mangaldai. The Resource Person of the Webinar was Sangita P. Bhattacharjee, Scientist, Central

Ground Water Board , Ministry of Jal Shakti, Govt. of India. The Webinar was inaugurated by the Head of Zoology dept, Mangaldai College. Then key Notes was delivered by principal. The resource person told in her speech that ,“In this era of drastic climate change and global Warming , where all the natural resources including water is under threat due to anthropogenic factors, the development of the resources, its management and its sustainability plays a key role for Its future availability . As water is an important key component any stress on it affects the environment, the thriving human and the society in totality. Due to stress on Water Resources, the quality and quantity has been affected a lot which in turn affects the environment. Hence, conserving water resources in tandem with artificial recharge and rainwater harvesting will ensure its balance in nature and will secure availability for our future generation. Thus, regulation and restoration of ground water is very vital for preserving the precious natural resource and the environment”. All the dignitaries spoke in the Webinar including P. Lahkar (President, ZSA), Dr. B.K. Das (working president, ZSA), Prof. J. C. Kalita (HOD, Zoology, GU & Secretary, ZSA). The teachers of the dept of Zoology, Mangaldai College and students also participate in the webinar. From ASS, Dr. Jaidev Barua, Dr. K.K. Bora and from NCSC, Mrs Alam Ara Begum also encouraged students by their inspiring speech. It was concluded by flute performed by Mr. Bikash Rabha (Assistant lecturer of the dept Zoology).

CONVENOR/ORGANISING MEMBERS:

2. Plantation at localities

3. State Level Poster Competition

Date/Time/Venue : 5th June, 2021 at 3:00 p.m. on online portal

Brief description of the events:

WEBINER : Co-relating with the theme of World Environment Day, 2021 “Ecosystem Restoration ” a webinar was organized by the Zoology Department in association with the Zoological Society of Nanda Nath Saikia College, Titabor on the 5th of June, 2021. It was addressed by speakers, Bitupan Baruah, PhD Research Scholar from Wildlife Institute of India , Dehradun on the topic “Wetland Restoration with emphasis on amphibians and reptiles” and by Abhijeet Konwar, PhD Research Scholar from National Institute of Advanced Studies, Bengaluru on the topic “Ecological Restoration- A way for Biodiversity conservation.” It started out at 3p.m. and ended at 4:30 p.m. It was attended by over 100 participants from different parts of Assam who not only attended the session keenly but also actively participated during the interaction period with the resource persons. The webinar session was inaugurated by Budhin Dutta Sir, Vice Principal of Nanda Nath Saikia College who is also the Coordinator of Aryabhata Science Centre, Titabor. The session was carried forward by Mitali Chetia, Assistant Professor, Zoology Department and Secretary, Zoological Society of Nanda Nath Saikia College. The welcome speech and vote of thanks were proposed by Dr. Manashi Bortamuly, HoD, Zoology and President of Zoological Society of Nanda Nath Saikia College. The technical aspects were taken care by Pranjal Bora, faculty, Computer Center and students Rishi Bawri and Surajit Borah all from N.N.Saikia College.

Plantation Drive: Students of Zoology Department decided to plant saplings within their own home campus with a pledge to take care of their striving as a mark of 2021 World Environment Day.

State Level Poster Competition: A state level prize money poster competition correlating with the theme “Ecosystem Restoration” was initiated on the 5th of June, 2021 by the Zoological Society of Nanda Nath Saikia College, Titabor with the last date for submission being the 10th of June, 2021 and the result of which will be declared on the 15th of June, 2021.

CELEBRATION OF *World Environment Day*
In association with
D.H.S.KANOI COLLEGE, ZSA UNIT, DIBRUGARH

Key Activities

- Plant a local tree where birds can build a nest.
- Provide food for birds and street dogs and cats, cows.
- Separate the edible waste from plastics and other harmful materials, so that street dogs, cats, birds can eat it without consuming the harmful material.
- Don't waste water. Repair the tap which have likage to stop the waste of water.
- Every drop of water is precious. Stop the water pumping machine as soon as the tank is full.
- Never cut a tree. It may be your house or others. It gives oxygen to all of us and cleans the surrounding air.
- Don't use chemicals to kill the animals.

The plantation program, feeding of the animals, water conservation ,etc photos should be sent to sultana_h@rediffmail.com.for competition.

12. NAME OF ZSA BRANCH: ZOOLOGICAL SOCIETY OF ASSAM, NOWGONG COLLEGE UNIT

EVENT ORGANISED: Plantation drive and Nest making for birds

DATE/TIME/VENUE: 05th June 2021, whole day, Residential areas of students including (Nagaon, Morigaon, Hojai, Dima Hasao, Karbi Anglong, Kamrup, Byrnihaat, Tezpur and Lakhimpur)

BRIEF DESCRIPTION OF THE EVENT: A week before the celebration of world environment day program, students were requested to observe the day maintaining COVID protocol. Due to the pandemic situation, all students are in their home, we requested them to plant samplings, and to protect them in their own locality. If they can't go out they can plant samplings in a pot even and plant whenever situation becomes normal. As Department of Zoology Nowgong college Comprises nearly 100 students all students took part in the event. Few of them planted more than one tree. Stress was given to plant fruit bearing trees. We have insisted to take a photo during plantation. Faculty members and Alumni too took active part. Few students made wooden/cardboard/paper nest for the birds as well. 100+ samplings were planted by the department on the auspicious day. Head, Department of Zoology congratulated the students, Alumni, students and NSS volunteers for their active participation to make the event grand success. Sincere thanks and gratitude was conveyed to the Secretary, Prof. J. C. Kalita, Zoological Society of Assam from Principal and HOD Zoology, Nowgong College for this great initiative.

EVENT ORGANISED: 1. Webinar

2. Plantation drive by Staff and patients of the COVID Care Centre in college

DATE/TIME/VENUE: 5th June 2021; 11 am Webinar

BRIEF DESCRIPTION OF THE EVENT: A webinar was organized on the theme of World Environment Day, 2021 “Ecosystem Restoration” by the Zoological Society of Assam, ADP College Unit in association with the Environment Cell, Ecoclub and IQAC, A.D.P. College on the 5th of June, 2021. The webinar session was inaugurated by Dr Surajit Kumar Bhagowati, Principal, A.D.P. College. The invited resource person was Ms Shikha Baruah, Environment activist & Founder of Ray Foundation. She emphasised on the need to study and understand ecosystem restoration. She highlighted the issues related to human activities which damage ecosystem and cited the example of Dihing Patkai. It was attended by around 100 participants which included students and faculty. The session was moderated by Mr Bapon Banik, Assistant Professor, Department of Herbal Sc & Technology and convenor, Environmental cell, A.D.P. College. The welcome speech was given by Dr. Afifa Kausar, Assistant Professor, Department of Zoology and Secretary, ZSA Unit, A.D.P. College and vote of thanks were proposed by Dr. Mousmi Saikia, HoD, Department of Herbal Sc & Technology and coordinator, Eco Club, A.D.P. College. The technical aspects were taken care of by Mr Pranab Bora, Department of Herbal Sc & Technology and Zuganta Jyoti Das from Department of Zoology, A.D.P. College.

A plantation drive was carried out in the college campus where COVID patients staying in COVID Care centre of ADP College planted plants. The program was carried out by maintaining all the safety protocols issued by Ministry of health, Govt of India. Students were also encouraged to plant trees in their home and participate in the green resolution of Environment Day.
