Lecture Series

Organized by

Department of Zoology

Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya (PDUAM), Eraligool, Karimganj

In Association with

Zoological Society of Assam (ZSA)

The Department of Zoology, PDUAM, Eraligool, Karimganj organized the first lecture of the **Lecture Series** for popularizing Biology among the students of HS and Degree courses on **20 September 2021** via virtual mode so that the students develop an interest in the subject and pursue their career in biological sciences.

The first lecture was organized in association with the Zoological Society of Assam (ZSA). The esteemed speaker of the first lecture was **Prof. Jogen Chandra Kalita**, Head, Department of Zoology, Gauhati University and General Secretary of ZSA. The title of his lecture was "**Biological sciences: A roadmap for future career prospects**". The students from various Institutions across the state participated in the lecture.

The virtual programme began at 4:30pm on 20 September 2021 using Zoom platform, with the state anthem of Assam and concluded with the National anthem. The Hon'ble **Deputy Commissioner** of Karimganj cum the President, Governing Body of PDUAM, Eraligool, was the Patron of the program. **Sri Priyabrata Lahkar**, President, ZSA addressed the digital participants and motivated for studying Biology as a subject, and expressed his happiness for organising such novel Lecture Series.

Prof. Jogen Chandra Kalita delivered a resourceful and extensive talk on the topic, followed by a thorough and lively interaction session. Prof. Kalita delivered his talk on the given topic for one and a half hours; touching upon various career prospects for studying biology at undergraduate levels. He said Biology is an interdisciplinary subject and undergraduate students from Zoology and Botany background can study various branches of Biology for higher studies, such as Molecular Biology, Cryobiology, Astrobiology, Ornithology, Parasitology, Socio-biology, Neurobiology, etc. He urged the students to dream big, work hard and become a good human being in future.

In the inaugural session of the programme, the **Principal**, PDUAM, Eraligool, Dr Jayasree Chakrabarty extended a warm welcome to all the digital participants and congratulated them for their presence in the program in huge numbers. She expressed her happiness that the Department of Zoology of the Mahavidyalaya has come up with such an innovative idea to organise lecture series to popularize Biological Science Education.

The Coordinator of the program, Dr Rajib Paul, Head, Department of Zoology, PDUAM, Eraligool, anchored the virtual programme. Dr Surajit Ray, Head, Department of English, PDUAM, Eraligool proposed the Vote of Thanks for the programme. The program marked a successful completion due to active participation from all.
